BEDIENT IS THE MASTER

His Pitching Is Markedly Efficient—Relief Man in Both Contests.

The battling in the American League yesterday was confined to the East, where double headers were played, greatly to the welfare of the Athletics and Red Sox. The latter team stopped off in New York and won two games, and the leaders took both parts of their double header from the Washingtons. The Washingtons said back to fourth place behind the White Sox. The Western clubs opened in the East to-day.

Two yesterday the New York Americans struck streaks just before the finish and hustled in runs enough to have a chance to snatch victory out of the fire, but in each case they fell short and were beaten twice by the Red Sox. The scores were 4 to 3 and 3 to 6. In the first game two of the New York runs were made in the ninth inning. In the second five were made in the last two innings.

Coincident with the ineffectual scoring uprisings of the New Yorks was much wobbly pitching by the Boston twisters. This shakiness at the end drew near had a good deal to do with the threatening attitude assumed by the New Yorks, though the latter also did some good, clean hitting while the Hub pitchers were having the tremors. Had the New Yorks been able to distribute their energy in run making over a greater part of the long days' battling they might have fared better. The Boston lead each time was too big when they cut loose.

Enough bases on balls were given by the Red Sox pitchers for the New Yorks to have won both games hardly down had they been able to hit earlier with men on bases. The double hit began at a quarter to 2 o'clock and finished at a quarter to 7. That was the longest of four drawn out plays, barring a short intermission. Throughout the playing time were scattered eighteen passes given by the Boston pitchers. Of these Leonard gave eight in the first game and Wood eight in the second.

Leonard after going fine in the first game exploded in the ninth and was relieved by Bedient, who was destined to lead a large helping hand for the second game also. Joe Wood, wild all through the second contest, took a flighty turn in the eighth inning which led to his abrupt dismissal and a sacrifice fly by Chance to pass two men, then hurries to the bench. Once more the reliable Bedient appeared.

Ray Fisher pitched splendidly for the New Yorks in the first game, but the error of his kicking was his undoing. One of the home team's misdeeds, were fatal. McCormick was knocked out of the box in the sixth round of the second contest.

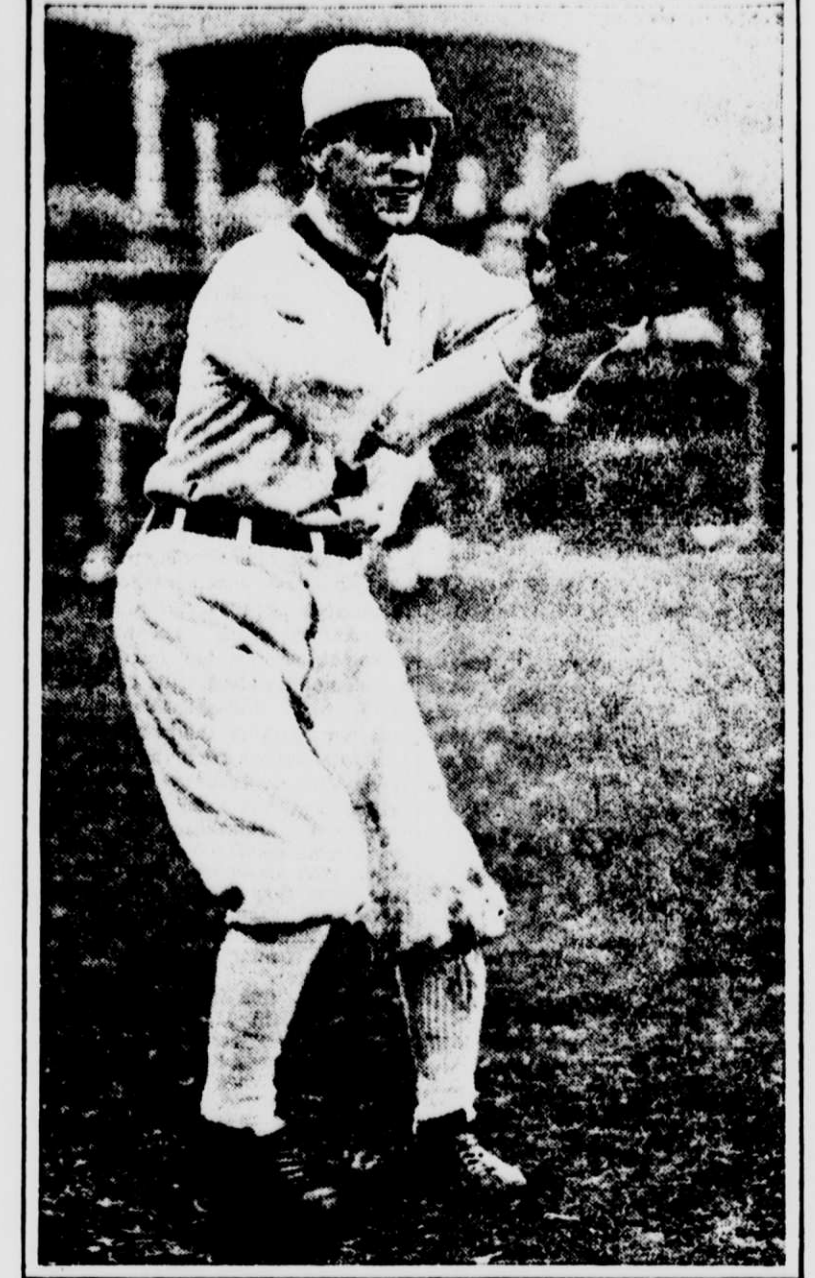

Manager Chance played first base all afternoon and had Chase waiting for a train to take him to his new associates, the White Sox, looked on from the grand stand. Chance did no hitting, but headed up to the handle and in a couple of base running attempts seemed to have all his more youthful dash and speed. Young Gossett caught the second game and was an active and hard working neophyte. In the second game Chance used two pinch hitters, Hartzell and Sweeney, and each made a two bagger, which is decidedly unusual in the doings of reserve artillery.

In the light hitting early encounter Daniels made a run in the fourth inning on a pass, a sacrifice, a bad throw by Leonard and a sacrifice fly by Chance. The Bostoners reeled with two runs in the gathering of which a misplay by Peck, who made a quart of errors, a muffed throw by the same player and a hit by Yorkes played the most part. A better thrower than Daniels would have nailed Hooper at the plate on Yorkes' thrust to right, but Daniels didn't even attempt to fire the ball in.

Peck furnished a wild throw in the ninth. Jennings singled, Wagner hit into a force, Jennings made a sacrifice fly and Carrigan donated a hit. The net proceeds were two runs, which just saved the day for the Red Sox. New York's half Cree walked and Sweeney singled. Sterrett and Peck subsided harmlessly, but McCormick and Bedient walked, forcing in a run. Ed Leonard, Bedient, Wagner and Hooper had another run trotted in. Wolter's fly to Hooper closed the inning.

The scoring in the second game began in the third inning, when the solar system titheholders corralled a run. On the McCormick enticements they beat a tattoo consisting of two triples and a single. There'd have been another run if Hooper hadn't foolishly tried to stretch his triple. Immediately after he was smothered by Sterrett singled. A two bagger by Bedient, a wild pitch, McCormick's stroke and a fiery double steal gave the New Yorks a raptorial in the sixth game a raptorial of which McCormick and Bedient were the targets and five Boston runs. Two more materialized in the eighth on a base on balls and hits by Cady and Bedient. Wood and Hall then disbursed four bases on balls in the ninth. McCormick grounded in a two bagger.

MAY MAKE NEW YORK DEBUT TO-DAY

Hollie Zeider, obtained along with Babe Horton from the White Sox in trade for Hal Chase. He is expected to get into a New York uniform this afternoon in the game with the Vaps at the Polo grounds. Where Chance will put him is uncertain, for he can play any of the four infield positions ably.

There were two runs in and three on bases when Chance hit to Janvyn for the third out.

OVER FENCE OFF JOHNSON.

Baker's Fast Incident of Double Victory for Athletics.

WASHINGTON, June 2.—Combie Mack's Athletics won both games of today's double header from Washington by scores of 4 to 3 and 4 to 1. The victors hit the ball hard and smart. When they were needed they invariably came. Walter Johnson was beaten in the final game. Baker dropped the ball over the fence for a home run in the fourth and timely hits by Strunk and Collins in the sixth and eighth sent enough rallies to build up a lead which could not be pulled down. Washington knocked Hooper out of the box in the sixth, scoring three runs. But Mack came right back with Brown, who had pitched four innings of the first game, and Brown held the home team safe. PHILADELPHIA, June 2.—After M. Hall Wagner broke into today's game the Phillies went along for six innings with the Philadelphia recruits in front of the Phillies. The Phillies are going strong these days, won from the Bostonians.

The star moundman of the Superiors got a hero's cheering and a one man out and four runners had made the circuit of the bases he was yanked to the bench and Wagner was allowed to make his league debut. The New Orleans recruit, who pitched his first game, was a shipmate of the first game. The one run scored off his delivery was more or less lucky as the ball took a very bad bound, sliding Moran. Cravath thus was credited with a three base knock that scored Knabe from first base.

But to return to the trouble in the first session Ragan walked the first two when Miller and Knabe, who advanced on Lobert's sacrifice, hit in front of the Phillies. This play, however, was unnecessary, as Knabe, who followed, poked the ball over the right field fence for a home run. The ball struck the top of the fence and after hesitating a moment finally fell in broad street. Ragan would have been pardoned for assuming that one had not been singled and Luderus tripped.

When Wagner appeared in the sixth on third base with one out. The squeeze play was tried and Luddy got away with it, scoring on Doolan's tap in front of the plate. O. Miller threw him out and Lobert, who followed, hit the batter, Wagner. Wagner disposed of the Phils in order in the fifth by Fisher and Daubert off. The ball struck the top of the fence and after hesitating a moment finally fell in broad street. Ragan would have been pardoned for assuming that one had not been singled and Luderus tripped.

With one down in the second Knabe muffed Fisher's easy fly. A pass to O. Miller pushed Fisher ahead to second, from where he scored on Moran's drive. The run in the fourth is accounted for by saying that Smith, after up, bounded the ball into the left field bleachers. The scores:

Chicago, June 2.—The trade that landed Hal Chase for the White Sox in exchange for Babe Horton and Hollie Zeider is part of a three cornered deal which will bring Ty Cobb to Chicago, according to reports going the rounds in baseball circles here this afternoon.

It is declared that the Cobb trade has been on the fire for a long time, and now that Comiskey has a chance to offer for \$250,000 the seven million dollar carrying out of the deal.

While an official statement of the deal is lacking it is declared that Cobb was so successful in his debut early in the season, showing a season such a figure, that he is the only player in the Detroit line-up who is not a disappointment.

CORCORAN IN HIGH CONTRAST.

His Catch of Perry's Line Only Bright Spot in Poor Game.

BALTIMORE, June 2.—The Orioles won over the Senators after a weird game today. Both teams made many inferior plays and it took two hours and thirty-seven minutes to play the contest. The only brilliant feature of the game was a sensational catch made by Corcoran, who caught a line drive from J. L. Holtzman's Donald MacDonald.
